of the Fraser Valley

Lace up for the most important  
fundraising event of our year and  
**start something big...**

Every dollar you raise helps match kids  
with a mentor. Research shows that children  
who have been mentored have higher  
self-esteem and are more likely to stay in  
school – empowering them to succeed, give  
back and realize their true potential.

**Start Something** and **Get the Ball Rolling!**
