

Big Brothers Big Sisters  
of the Fraser Valley

Lace up for the most important fundraising event of our year and you could **start something big**. Every dollar raised helps match kids with a mentor.

Research shows that children who have been mentored have higher self-esteem and are more likely to stay in school – empowering them to succeed, give back and realize their true potential.

**During Bowl For Kids Sake 2011 we raised over \$80,000.00 across the Fraser Valley! BFKS 2012 will be our 23rd Anniversary**

**We invite you to Start Something .... BIG!**
